

## Instructions

**PREPARE:** Cut the call cards along the perforated lines and place the squares in a bowl. Collect a jar full of pennies.

**DISTRIBUTE:** Hand out one Bingo card (each card should be different), and at least twenty pennies to each child.

**FREE SPACE:** Tell the children to place one penny on their "free" space: the middle square.

**CALL:** The caller should pull out one call card and call out the letter/number combination.

**MARK IMAGE:** The children will then place a penny on the called square if it is on their card.

**WINNING:** Once a row of five pennies is made on a card (vertically, horizontally, or diagonally), the child with that card should call out BINGO!

**PRIZES:** (Optional) Make sure to reward the winner with a small prize.
